RE: SCHOOL CLOSURES

Dear Families:

In compliance with the recommendations set forth by the Center for Disease Control and Prevention, all schools in the Los Angeles Unified School District will be closed for a minimum of a two-week period, beginning March 16, 2020. These closures are out of an abundance of caution as we work to minimize the spread of the coronavirus within our community.

While we understand that these closures may have a profound impact on your child and family, we would like to reassure you that the safety and well-being of all stakeholders is our primary concern. We will continue to work to provide meals and other essential services through our Community Resources Centers beginning Wednesday, March 18th.

Updated information related to the hours of operations and locations of our Community Resource Centers is available on our LAUSD.net website, or by calling our Family Hotline at (213) 443-1300.

We appreciate your understanding and continued partnership during this challenging time.

Sincerely,

Michael Romero
Superintendent
